ANGELUS PIANO PLAYER

WHAT more exquisite enjoyment than the music you can produce from your own piano — *if you have an Angelus?* Ever since 1897 this most remarkable instrument has brought unbounded pleasure to thousands of persons to whom music in the home was a rarity. Now, with the aid of an Angelus, you can play on your own piano anything you like — the dear old songs, the popular music of the day or the classical compositions. Any or all of these are within your scope, and you do not need to know one note of music from another, for the Angelus reads the notes and strikes the proper keys for you.

The expression devices are so very ingenious and complete that you can obtain effects equal to the best pianists — the delicate shading, the phrasing, the accenting of notes or chords, the sustaining or emphasizing of the theme or melody while subduing the accompaniment. The sweet-toned reeds in the style 66 are a most delightful feature. With these you can enhance to a marked degree the beauty of many compositions.

We put the question straight to you — Why don't you buy an Angelus and make your piano worth something to you as musical instrument? Price only $250.00.

OUR HANDSOME NEW BOOKLET WILL BE SENT UPON APPLICATION.

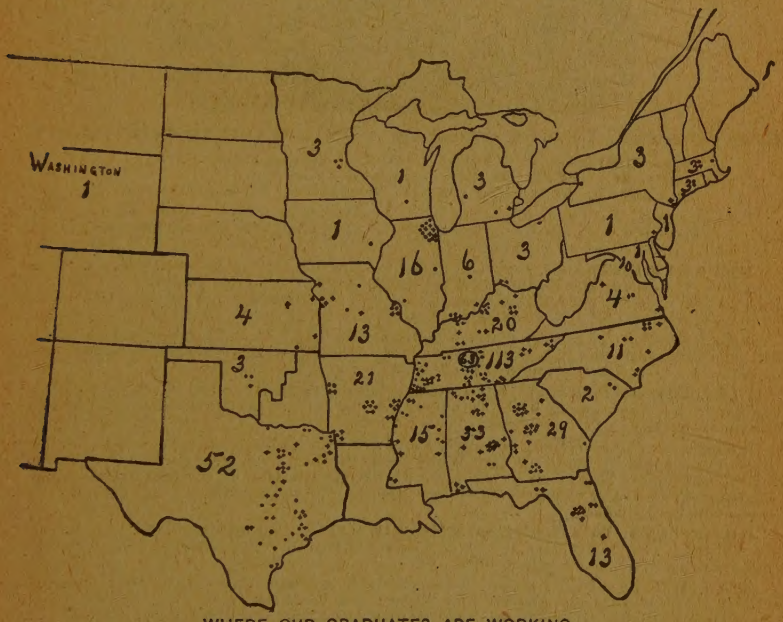
FISK UNIVERSITY.

Founded by the American Missionary Association.

J. G. MERRILL, D. D., Pres. REV. E. C. STICKEL, Treas.

DEPARTMENTS: Theological, College, Music, Scientific, Normal, College Preparatory, English, Practice and Model School.

PUPILS: 510. Graduates, 1903: College, 22; Normal, 10; Music, 1. FACULTY: Professors and Assistant Professors, 8; Instructors, 19; Matrons, 3.



WHERE OUR GRADUATES ARE WORKING.

FISK UNIVERSITY sent out its first graduates less than a quarter of a century ago. To-day it numbers among its 451 alumni a hundred school principals or professors in higher institutions of learning, more than one hundred other teachers (of whom a majority are in American Missionary Association or the higher grades of public schools), successful doctors, lawyers, merchants, and farmers, as well as ministers; and what is worth more than all, scores of mothers and wives with the high ideals of college and normal training preside over Negro homes, and more than fifteen thousand children are taught each year by those who have gained their education at Fisk University. Certainly the work which has already been accomplished justifies the existence of the institution.

THE DEMAND IS NOW IMPERATIVE FOR AN ADEQUATE ENDOWMENT.

BENEVOLENT men and women have bestowed hundreds of millions of dollars for a race with centuries of civilization behind them and the accumulations of a long line of ancestors to provide them an education. The sense of justice will not be met until an institution educating youth less than forty years out of bondage, with no inheritance of money or of intellectual training, be remembered with munificent gifts.

DONATIONS, ANNUITIES, BEQUESTS SOLICITED.

$50 pays an annual scholarship.
$500 pays an Instructor's salary for a year.
$1,000 founds an annual scholarship.
$10,000 founds an Instructorship.
$28,000 founds a Professorship.
$300,000 would endow our present teaching force.

The President would be glad to answer any inquiries concerning our work. All checks in favor of the institution should be made out to E. C. STICKEL, Treasurer, Nashville, Tenn.

Howard University, Washington, D. C.

Rev. TEUNIS S. HAMLIN, D. D., Acting President.
GEO. H. SAFFORD, Secretary and Treasurer.
Rev. W. A. SINCLAIR, M. D., Travelling Financial Agent.

This University was founded by Gen. O. O. Howard for all peoples under the sun. It has had among its pupils Asiatics, West Indians, North American Indians, Anglo-Saxons and Afro-Americans. It welcomes all such to-day.

DEPARTMENTS. — It has eight distinct Departments under seventy-five competent Professors, Instructors and Lecturers: Theological, Medical, including Dental and Pharmaceutical courses, Legal, College, Preparatory, Pedagogical, English, and Industrial which includes Printing, Carpentry, Tinning, Cooking and Sewing.

EXPENSES. — There is no charge for tuition in the Theological, Law, College, Preparatory, Pedagogical, English, and Industrial Departments. Students in these departments are charged for room-rent, and if they board in Miner Hall, $9 per month for board.

LIBRARY AND READING-ROOM. — Students have the use of the College, Theological and Law Libraries and a well-furnished Reading-room. The Government Libraries and Museums are free to all.

NEEDS. — This University is largely supported by the gifts of the benevolent; its Theological Department by the A. M. A. While its Theological students have aid from personal friends and different benevolent societies, there is always a call for larger benefaction in aid of indigent students. Any money in aid of individuals sent to the President, or the Treasurer, will be judiciously expended.

CHRISTIAN, BUT UNDENOMINATIONAL. — This institution is always emphatically Christian. Its Instructors believe in Christianity as the only basis of true culture; but pupils here are given no denominational bias.

SELF-HELP. — Nearly all the students are able in Washington City to do something for self-help. The Government Departments, Hotels and Boarding Houses and Private Families are constantly seeking for faithful service from the University. For Catalogues, address

ATLANTA UNIVERSITY, Atlanta, Ga.

REV. HORACE BUMSTEAD, D. D., PRESIDENT.

DR. WILLIAM T. HARRIS, United States Commissioner of Education, has recently said: "If the ratio of colored population in secondary and higher education is to be equal to the average for the whole country, it must be increased to five times its present average."—If this be true of the secondary and higher education, it is safe to say that the Negro has not one tenth his quota in college studies. How baseless, therefore, is the charge of too much higher training! We need Negro teachers for the Negro common schools, and we need first-class normal schools and colleges to train them.

Atlanta University is practically a "teachers' college,"—sixty per cent of all its living graduates being now engaged in teaching, many of them occupying the most prominent and responsible positions in public and private schools for Negroes. We need an endowment of at least $500,000, of which less than a tenth has thus far been secured. The corporate name of the Institution is "The Trustees of The Atlanta University" in Atlanta, Georgia. Bequests should be attested by three witnesses.

THE TWENTIETH CENTURY EDITION

OF

The Church Hymnary

comes a little nearer to the ideal hymn-book than do any of its competitors. Musically, mechanically, and with reference to the quality of the selection of hymns, it represents a standard of excellence not hitherto attained or attempted in connection with a book so perfectly adapted to congregational use.

The Church Hymnary

is used in more Congregational Churches in New England and the Interior than any other modern hymn-book.

Samples will be sent to churches about to change, and special rates for introduction will be quoted on application to the publishers.

Placed in 20,000 Churches alone

in all parts of the country, as well as hundreds of theatres, halls, colleges, hospitals, public and institutional buildings generally. We make a line of reflecting chandeliers and prismatic sunlights to meet every possible requirement of auditorium lighting.

CONGREGATIONAL HOUSE, BOSTON, MASS.

NOTES.

"Every church and every minister upon the rolls of the denomination" is entitled to share in the distribution of the YEAR-BOOK. For this very practical purpose, "the rolls of the denomination" must be assumed to be the tables and list of the YEAR-BOOK, and the claim of any church or minister to receive it, errors excepted, does not arise until such church is found in the YEAR-BOOK's tables, or such minister's name is enrolled and printed in its "List of Congregational Ministers," here reported and printed. To purchasers, the price is $1.00; or, in cloth, $1.25. Those entitled to receive it who prefer a cloth binding can have it in that form by sending 30 cents to

REV. ASHER ANDERSON,
405 CONGREGATIONAL HOUSE,
BOSTON, MASS.,

to whom all correspondence relating to the YEAR-BOOK should be addressed, NOT to the Publishing Society. It is not safe or sufficient to say "Congregational House" only, as it has many rooms and occupants.

A pastor, who has resigned his active service, does not lose his claim to the YEAR-BOOK. It is due to "every minister upon the roll." A church is not entitled to two copies, one for itself and one for its minister, as is often assumed; but to its one copy. The roll is new every year, and a minister's name has no place on it simply because it was in the *last* YEAR-BOOK. It is to be reported each year, either by the church he is serving or by the conference or association of which he is a member, and which is responsible to the churches for record and report of his good standing.

A number of copies of the Proceedings of the International Council, Boston, 1898, remain on hand. Price, $1.00. Add twenty-two cents for postage. Send orders to J. H. Tewksbury, Congregational Sunday School and Publishing Society, Congregational House, Boston.

The following resolution failed to appear in the Minutes of the Council of 1901. See page 43 of the published Minutes of the Council.

"*Resolved*, That in view of the grave concern regarding the present condition and future interests of the Sunday School work throughout our denomination, the Congregational Sunday School and Publishing Society be requested to furnish a systematic and graded course of study covering the whole range of Sunday School work, and that a committee of seven be appointed by this Council to co-operate with the Society to that end."

I hereby certify that the above resolution was introduced by the business committee and adopted by the Council.

JOEL S. IVES, *Registrar.*

INTRODUCTION.

It is a matter of disappointment to us that the issue of the YEAR-BOOK has been delayed beyond our expectations of publishing it. We gave up the cherished hope that May 15th would see the completion of our work when the State schedules were delayed beyond April 10th. They were received in the following order: Jan. 18, Nevada; Feb. 5, Oregon; Feb. 7, New Hampshire, West Virginia; Feb. 12, California (Southern); Feb. 14, Arizona; Feb. 16, Montana; Feb. 18, Rhode Island, Maine; Feb. 20, Mississippi, Ohio; Feb. 23, Oklahoma; Feb. 24, Wyoming; Feb. 26, Virginia, New Jersey, District of Columbia, Maryland; Feb. 27, Minnesota; Feb. 28, Texas; March 3, Arkansas, Missouri, Nebraska, New Mexico; March 6, Florida, South Carolina; March 9, Vermont, Alabama, Kentucky, Indiana; March 13, Connecticut, Wisconsin; March 16, Hawaii; March 19, Colorado, North Carolina; March 20, North Dakota, New York; March 23, Louisiana, Michigan; March 24, Iowa; March 26, Kansas; March 28, Washington, South Dakota; March 30, Illinois, Pennsylvania; April 6, Idaho; April 11-29, Massachusetts; April 16, Tennessee; April 21, Georgia; April 25, Utah.

We have been able to arrange schedules and summaries in alphabetical order, which will be acceptable to all who use the book.

No changes have been made in the summaries at the close of the book. They appear as last year.

Attention ought to be called to two things — one, a change in the appearance of the Massachusetts tables, which explains itself. We were pleased to respect the vote of the State Association and direct that the tables be printed as they came from the hands of the State secretary. Whether this method is preferable to that of previous years, the brethren interested are at liberty to judge. It requires printing the names of the Superintendents with their respective Sunday Schools at the end of the YEAR-BOOK. They will be found following the page "Ministers of other Denominations supplying Congregational Churches." The other item pertains to the report of New York. A loss of 407 is indicated. This loss owing to a clerical error last year, in which non-reporting churches were duplicated through a misunderstanding, is apparent only. There has been an actual gain in the State.

A comparison of the reports giving the membership in the Christian Endeavor societies with reports received direct from the secretaries of the societies shows many inaccuracies. In many cases the membership of Junior and Intermediate societies, and societies in missions connected with the church, is not given. The result is a much smaller total membership than the facts would seem to warrant. Experience indicates that pastors would do well to insist upon their clerks receiving from their respective Endeavor societies correct reports. We cannot comprehend why so important a work should receive such indifferent attention.

A few discrepancies will probably be found. These can be accounted for by corrections having been entered into the body of the report without making changes in the totals. It will be recalled that the Editor requested State secretaries who desired proof for revision to notify him at the time of sending the schedules. A number paid attention to this, and in other instances, where no proofs were received, the request was not forwarded.

Cuba comes to a place in the YEAR-BOOK with five churches. We welcome Cuba.

The Summaries will show considerable gains for which we are not only glad but grateful. Good work is being accomplished everywhere throughout the churches. Surely a faithful pastorate is generally indicated.

Our list of "Biographies to date" is increasing. We have on file a number which Ministers have been pleased to send. This list should grow.

We thank the State secretaries for their hearty co-operation, and trust they will accept our apologies if for any reason errors appear which we have striven earnestly to avoid. Indeed, we feel assured that the present issue marks a decided advance in the publication of our YEAR-BOOK.

(1) That the treasurer of the National Council be instructed to call for one and one-half cents per member from the churches for each of the three following years, instead of two cents per annum as heretofore.

The editor makes an earnest request to friends and to the secretaries of the State bodies for prompt information of the death of Congregational ministers, and for full and exact information on the model of the sketches above given. Obituary and eulogy beyond simple facts, it is impossible to use here. Clergymen are requested to send to the editor for blanks which they may fill and return to be put on file. Accurate biographies will be thus secured.

Prudential Committee. — ALBERT H. PLUMB, D. D., WILLIAM P. ELLISON, FRANCIS E. CLARK, D. D., EDWARD WHITIN, WILLIAM W. JORDAN, D. D., ELIJAH HORR, D. D., CHARLES A. HOPKINS, WILLIAM H. DAVIS, D. D., G. HENRY WHITCOMB, J. M. W. HALL, SAMUEL C. DARLING, EDWARD C. MOORE, D. D., and the President and Vice-President *ex officiis*.

During the ninety-two years of its existence the American Board has sent out 2,384 foreign missionaries, of whom 717 were ordained. At present it has in its twenty mission fields 549 missionaries, which is fifteen more than there were ten years ago. The increase, however, has been in the column of women, there being 12 less men than in 1892. But during the decade the native agents, including pastors, preachers, teachers, and Bible readers, has increased by 981, numbering at present 3,581. There has been an increase of 90 in the number of churches, and of 15,000 in the number of communicants. The present number of pupils under instruction is nearly 61,000. The fact that of the present number of 549 missionaries exactly 100 have been in service for 30 years or more sufficiently indicates the need of speedy re-enforcements. These veterans cannot last forever, invaluable as they are. Young men and young women are imperatively needed. Pray ye, therefore, that the Lord of the harvest will send forth laborers into His harvest.

Never have the fields in which the American Board labors seemed whiter for the harvest than now. During the past year 5,609 persons have been received as communicants in its churches. Its schools, from the kindergarten to the college, have been crowded with pupils who are receiving Christian instruction every day of each week. Nearly 11,000 of these pupils are in institutions of higher grade, and a goodly percentage of them are preparing to become preachers and Christian teachers. The agencies on the field for the prosecution of the work were never more efficient than now. This native arm of the service could be developed rapidly were the means at hand for opening schools, providing teachers and preachers. Thirty-four physicians are attending in hospitals and homes to the healing of the body, while preaching the gospel to the weary and sinful souls.

During the past year the receipts of the Board, including the payment of the debt of 1901, amounted to $845,105.85. The income is not enough to maintain the work of the Board at its present standard, to say nothing of the increase needed and called for by the missionaries, and essential to the proper development of the work. An additional $100,000 should be spent this present year in meeting the most urgent calls from the field. The American Board is seeking now to press the "Forward Movement," by which is meant the adoption by individuals and churches of individual missionaries or stations, or, where smaller amounts can be contributed, of native preachers and schools. Any person or any church can have its own missionary at a cost of from $500 to $1,000 a year, while from $30 to $100 will maintain a native preacher or teacher. In this way hundreds of churches and individuals could obey the Master's command to go into all the world and preach his gospel in a more literal way than they are now doing.

THREE DEPARTMENTS.

THEOLOGICAL SEMINARIES, COLLEGES, AND ACADEMIES.

Theological Seminaries. Atlanta Theological Seminary, Atlanta, Ga.

REASONS FOR AIDING. — There are 250 white Congregational and 200 Congregational-Methodist churches in Alabama, Florida, Georgia, and Texas, and they are in great need of an educated ministry. Some of these States are receiving large numbers of people from Northern and Western States, who are Congregationalists in their preferences; especially is this true of Texas. In the next ten years many Congregational churches will be formed south of Mason and Dixon's line. There is no theological seminary south of Oberlin, O., to supply ministers for these churches.

The Southerners are devoting large sums of money for education, so that the general level of intelligence will be raised.

The young people in the white churches are demanding an educated ministry.

The South must raise up ministers for its own people. Northerners are not best fitted to fill the need in that section.

COLLEGES.

FARGO, Fargo, N. D.	FAIRMOUNT, Wichita, Kans.
ROLLINS, Winter Park, Fla.	KINGFISHER, Kingfisher, Okl.

These colleges are situated at strategic centers in four States. Higher institutions of learning must be placed among rapidly increasing populations in the newer States, in order that materialism may be held in check and young people be guided into the pursuit of the highest ideals in civic and religious life. The importance of the college appears in the following considerations:

During the last ten centuries Christian universities and colleges have trained the great leaders in human progress. There was never a time in the history of our nation when wise, far-seeing and unselfish leaders were more needed than now. The problems and perplexities of our national progress will increase rather than diminish, due to the large influx of foreign population.

Educated Christianity is the hope of the world, and the reign of Christ over human thought must result mainly from Christian institutions.

The Christian church is dependent upon the Christian college for its ministers.

The Christian college supplies missionaries for the foreign field, over 230 from Western colleges alone having received appointment from the American Board; also home missionaries for Western and Southern fields; also teachers for the great work in the South.

ACADEMIES.

Twenty-two academies receive financial aid.
Several other academies, closely allied, indorsed and helped.

GORDON, Utah.
PROCTOR, Utah.
FRANKLIN, Nebraska.
CHADRON, Nebraska.
WEEPING WATER, Nebraska.
GATES, Nebraska.
EUREKA, Kansas.
KIDDER, Missouri.
IBERIA, Missouri.
ROGERS, Arkansas.
WILTON COLLEGIATE INSTITUTE, Iowa.
WOODCOCK, Washington.
PUGET SOUND, Washington.
WARD, South Dakota.
WEISER, Idaho.
WINDOM, Minnesota.
HULL, Iowa.
NORTH WISCONSIN, Wisconsin.
ENDEAVOR, Wisconsin.
BENZONIA, Michigan.
SOUTHERN COLLEGIATE, Illinois.
NORTHWESTERN, Oklahoma.

Many States in the West and South make no provision in their statutes for high schools in the rural districts, so that there are large sections of our country, embracing in some localities several counties with thousands of settlers widely distributed, without any save low-grade schools. Thus there is especially a need of educational centers in regions where opinions hostile to a pure Christianity prevail.

Our Christian academies prepare teachers for public schools and young people for college, and afford liberal culture to many others who go forth as Christians to be the seed and strength of home missionary churches.

MISSION SCHOOLS.

BOUNTIFUL, Utah.
COALVILLE, Utah.
HEBER, Utah.
LEHI, Utah.

GORDON and PROCTOR elsewhere given as academies.

REASONS. — Mormonism is increasingly powerful and aggressive. Its missionaries are active in this country and abroad. There are nine Mormon conferences on the Atlantic coast from Maine to Virginia. The leaders have a distinct political aim to gain control of Congress in order to further the interest of their church and gain larger liberty for their irreligious practices. Mormon church influences increasingly control the public schools.

SAN RAFAEL, New Mexico.
BARELAS, New Mexico.
SAN MATEO, New Mexico.
ATRISCO, New Mexico.
CUBERO, New Mexico.
SEBOYETA, New Mexico.

a Two hundred thousand Mexicans, poor, ignorant, and superstitious, make appeal for Christian light.

b The poverty, prejudice, and backward condition of the people are a strange anachronism in the midst of our American life.

c The hopelessness of uplifting homes and of establishing churches save through the children and their schools.

STUDENT AID.

Money to the amount of $50 per annum is loaned or granted to meritorious and needy young men studying for the Christian ministry. A competent committee at seminaries and colleges examines each applicant and gives estimate of his worth. One hundred and fifty-five men are being aided this year.

OBJECTS.

To maintain, in the city of Boston, a CONGREGATIONAL HOUSE; to care for and perpetuate a library of books, pamphlets, and manuscripts, and a collection of portraits and relics of the past; and to do whatever else — within the limits of its charter — shall serve to illustrate Congregational History and promote the general interests of the Congregational churches.

THE FIFTIETH YEAR.

Our Association was founded by a large and enthusiastic gathering of ministers and laymen in the old days when "Anniversary Week" was in its glory — May 25, 1853. The next meeting brings us therefore to the jubilee. There could not be a more appropriate time than the present for Congregationalists to manifest a practical interest in this enterprise by helping to reduce the heavy mortgage on the Congregational House, which now amounts to $191,000. The original debt of $250,000 was incurred by the purchase and remodelling of the old building in 1872-73. At that epoch, there was a lively co-operation in the project, extending widely through the denomination, but for many years a decided apathy has taken its place. It cannot be too often repeated that a gift to this Association is at the same time a gift to all our missionary societies, since each year a rebatement of rent is made to them all from the profits of the Congregational House. Moreover, a gift put into this building has the security of a permanent investment, instead of being subject to the fluctuations of the market. These facts speak more forcibly than any argument into which they might be expanded.

Another object which should appeal to all good Congregationalists is the proper maintenance of our Library. It is open freely to all for reference, and it contains books and pamphlets relating to both the historical and the religious side of Christian work. Many of these are especially prized on account of their age and rarity; but it is too seldom realized that history is being made as truly now as in any past era; and thus that the record of what is familiar to us, as we live through it, will be prized by the generations that come after us. The Congregational Library asks to be the common repository of the life of our churches. All publications of either ministers or laymen are welcome, especially those of ecclesiastical interest. For example: in two or three clusters of churches, East and West, it is the custom to send hither a copy of the minutes of each local council; the practice should become a general one. We ought also to receive hundreds of church histories, manuals, and year books that have not yet been sent to us. Will pastors and clerks please follow these suggestions before the subject is crowded out by the press of other matters?

Forward. — This seems the only fitting word for the work and workmen in care of this Society. The nearly three and one half millions gathered into its Treasury in the last twenty-one years ought to be doubled in the next twenty-one years. The denomination is rich. A few of our millionaires could give it a good start. The rank and file would claim the right and privilege of doing the rest. We ought to build not less than 200 a year of houses of worship and as many more of parsonages. Building will never overtake the work of organizing at the rate we are going now. It is too late in the day to argue the need of either churches or parsonages. It is a simple necessity, as clearly demonstrated as any proposition involved in the work. It would save a large per cent of what is now waste in organizing.

The HOME MISSIONARY, a magazine published by the Society since 1828, is now issued monthly at fifty cents a year, including postage. It gives a running account of the progress of the work in all parts of the country, largely from the pens of the superintendents and missionaries personally engaged in it. In CONGREGATIONAL WORK, the new monthly organ of the Six Congregational Societies, the pages allotted to Home Missions keep their readers in constant touch with the workers in

all parts of the wide field, and present the freshest intelligence therefrom. The price is only ten cents a year. An ANNUAL REPORT sums up the results of each year. Leaflets and Tracts for the times are published as occasion calls and funds allow, designed to help pastors, Sunday-school officers, and friends of home missions generally, in awakening and keeping alive an intelligent, practical, growing interest in the work. These may be had, free of charge, at any time, by addressing the officers of the Society at its rooms, Fourth Avenue and 22d Street, New York.

For seventy-seven years the Society has been organizing churches in the West and South, and aiding in the support of their ministers till those churches are able to assume the whole expense. Its missionaries have from the first organized Sunday schools, provided proper teachers for them, and by watchful oversight have secured their permanence and growth into churches.

In connection with the labor of its missionaries, 6,757 churches (*a*) have been organized and 3,136 have come to self-support. It has collected and disbursed in cash, $20,806,948; and in clothing, books, and other supplies, largely the offerings of Christian women, $2,555,043; in all, $23,361,991. The additions to the churches have been 498,822.

The number of missionaries employed in its seventy-sixth year (1901–1902) was 1,868; 1,308 of them in States and Territories west and south of the Middle States. They preached regularly in 2,484 stations, and at frequent intervals in many hundreds more. The number of Sunday-school and Bible-class scholars was 133,378. The additions to the churches were 7,305; 4,321 of them on confession of Christ. Churches organized, 65; reached self-support, 42.

The seventy-sixth year's receipts were, in cash, $602,462.24; in supplies, $43,706.30; in all, $646,168.54.

In 1883, a Woman's Department was opened. Its object is to interest the women of our churches all over the country, and through them the children, more directly in the work; not to the diminishing of their helpful labor in the way of home missionary boxes (of clothing, etc.), but to secure also their gifts of money for the support of missionaries all over the country, and for various special uses, as called for from time to time. Their aid in this line is steadily growing, but much more is needed.

The Society is doing much more work than ever before among the foreign-born in all parts of the country. At nearly every meeting the Executive Committee is urged, too often in vain for lack of means, to appoint chosen men for new fields at the front, where they are greatly needed, but where their support involves heavy outlay by the Society. For securing the means essential to the carrying on of this great work the Society depends, under God, on the zealous co-operation of the pastors and members of the Congregational churches of the land. At least $100,000 more than last year's receipts are required to carry on this work, besides an equal advance to meet indebtedness for work already done.

FIELD

Extends from the Atlantic to the Pacific, and from Porto Rico to Alaska. It includes, in the South, the Negroes and the Whites, especially those in the mountains; in the West the Indians; on the Pacific Coast the Chinese and Japanese; in Alaska the Eskimos; and in Porto Rico those of different races. Through its pupils it is reaching into Africa, China, Japan, Mexico, and Cuba.

PURPOSE AND METHOD.

The American Missionary Association is training a leadership from among these different races. This involves an

INDUSTRIAL LEADERSHIP.

To accomplish this the Association introduced, years ago, industrial training. Nearly every school furnishes this department of instruction. An Industrial Leadership is thus trained from among these people. It is not simply to instruct the few in handicraft, or to teach them a trade, but to give to the many, competent instructors of their own race, who shall lead them into better industrial activity and prepare them for economic development.

AN INTELLECTUAL LEADERSHIP

For these races is equally essential. This is also provided by the A. M. A. Normal institutes and academies, in which the best methods of modern teaching are pursued, are planted among these peoples, and hundreds of teachers are trained for the public schools. This training of teachers is of supreme importance in the elevation of these races.

Intellectual Leadership is also furnished through the colleges and higher institutions. No race can be lifted up by means of industrial training alone. The larger development of intellectual life is essential to secure to any race influence and power. This the Association recognizes and provides for.

THE MORAL AND RELIGIOUS LEADERSHIP

Of these peoples is also provided. Departments of biblical and theological instruction, in which ministers and missionaries are trained from these races for their own people, are provided by the Association. Character building is necessary. Religious life must be stimulated. High ethical and moral standards must be established. These great necessities can be met only by a well-trained moral and religious leadership from among those peoples whose high character shall appeal to that which is best in the race and furnish an object lesson.

Among the many different races reached by the work of the Association, a leadership is being trained from the people who represent these conditions of preparation and character.

EDUCATIONAL WORK

Includes universities, colleges, academies, normal schools, industrial schools and departments, and primary schools. Among its institutions are the following: Fisk University, Nashville, Tenn.; Straight University, Louisiana; Talladega College, Alabama; Tougaloo University, Mississippi; Tillotson College, Texas; J. S. Green College, Georgia; Avery Institute, South Carolina; Le Moyne Institute, Tennessee; Ballard Normal School, Georgia. Mountain schools: Williamsburg Academy, Kentucky; Grand View Academy, Tennessee; Saluda Seminary, North Carolina; Green Academy, Alabama. Indian schools: Santee Normal and Training School, Nebraska. Ninety-three other Normal, Industrial, Graded, and Primary schools.

CHURCH WORK

Is a missionary service almost entirely among the very poor. In the Indian fields it is having wonderful growth. In the Chinese fields, many pagans have come

into the Christian life. In the Southern mountains a number of churches have been added and the interest of the people in the Congregational church life is being rapidly developed. In the Southern lowlands, also, there is a remarkable movement among the colored people towards free and pure churches.

MAGAZINE.

The American Missionary is published monthly, except July and August. New form, fresh material, and generous illustrations characterize it for 1903. Pastors of contributing churches, Superintendents of Sabbath schools, College and Theological Libraries, and Societies of Inquiry on Missions will receive the *Missionary* upon application if so desired. Subscription is *fifty* cents per year

Correspondence should be addressed to the Secretary, Rev. Wm. A. Rice, Fourth Avenue and Twenty-second Street, New York City.

Money should be sent to the Treasurer of the Trustees of the National Council, Rev. S. B. Forbes, 206 Wethersfield Avenue, Hartford, Conn.

At the last meeting of the National Council, the Trustees were instructed "to devise and vigorously prosecute the best methods for increasing the permanent funds," but at the same time not to neglect "the present needs of disabled ministers, and the widows and children of deceased ministers."

In obedience to these instructions, the Trustees have appointed the Rev. Wm. A. Rice, pastor of the Belleville Avenue Congregational Church of Newark, N. J., as Secretary to succeed the late honored and beloved Rev. Dr. N. H. Whittlesey, who served from 1892 until his death in 1901

The Trustees have issued an appeal "To the Congregational Churches and Ministers in the United States," affectionately urging all to unite "in giving this important matter their immediate attention, and that generous support which it deserves." They asked them to welcome the new Secretary to their pulpits, to see that each of our churches, if possible, makes a regular annual offering for Ministerial Relief, and "also that those whom God has blessed with prosperity shall remember this cause generously in making their wills."

It is evident to all who are in a position to know of the needs among the worn-out veterans of the church and, in many cases, of the dependent families of deceased ministers, that the combined incomes of the funds in several of the States and of the National Fund are painfully insufficient to meet those needs. The State and National funds supplement each other and the interests which they represent are one. Their relations should therefore be most harmonious and their co-operation hearty and intelligent. Such is doubtless the desire and the spirit of all who have been appointed to advance and conserve these benefactions.

The National Fund has especially in view those who have served the church on the home and foreign fields, laboring in destitute sections and for small compensation, and therefore have been unable to provide for the time of old age or for their loved ones left helpless through the contingency of death. Most of its beneficiaries are of these classes and of those who, because of their residence or other reasons, are outside the rules which control the State appropriations. All these cases appeal most justly and tenderly to the whole church. Their number is increasing and most of them are exceedingly pathetic. These heroic servants of the church are not beggars nor objects of charity. Their claim rests upon life-long and self-sacrificing service. It is an appeal to the sense of justice and righteousness which must always be the true credentials of the church of God.

Believing that these are marked attributes of the Congregational churches, we lay this matter upon our churches and ministers with the abiding confidence of a loving and generous response.

FORM OF A BEQUEST.

I give to the "Trustees of the National Council of the Congregational Churches of the United States"..... Dollars, to be used for the purpose of Ministerial Relief.

Admission. — Students are admitted upon presentation of certificates of membership in some Christian Church, and of graduation at a college or university. Applicants who are not graduates will be required to pass an examination.

Course of Study. — The aim of the course is to prepare men thoroughly for the practical work of the ministry. The fundamental studies in the Old and New Testaments, the History of the Church, the System of Christian Truth, and the Work of the Preacher and Pastor, are prescribed; numerous elective courses enable students, in accordance with their interests and aptitudes, to pursue some of these subjects farther, or to take up others subsidiary to the main topics of instruction. To give students an actual acquaintance with the work of their calling and some experience in it, they are, as far as possible, associated individually with the pastors of churches in Boston and vicinity, whom they assist in various ways and from whom they receive personal counsel and guidance.

Degree. — The degree of Bachelor of Divinity is conferred upon students who satisfactorily complete the three years' course of study; it is ordinarily required that the recipient hold a college degree.

Graduate Students. — Graduates in Theology pursue advanced studies and researches under the personal direction of the professors, and are admitted to such courses of lectures as they may elect.

Library and Museum. — The library contains over 54,000 volumes. A reading-room with a large and carefully-selected reference library is accessible to students at all hours. The museum contains an extensive collection made by Dr. Selah Merrill, illustrating especially the fauna of Palestine and the life of its people.

Location. — Andover is twenty-three miles from Boston, and is reached by the Western Division of the Boston and Maine Railroad in thirty-five to forty minutes.

COURSES OF STUDY.

The main purpose is to train men for the practical ministry, especially the Congregational ministry. The usual courses in Exegetical, Historical, Systematic, and Practical Theology are provided. The prescribed courses, about one half of the whole, are arranged to cover the fundamental parts of all departments. For the rest the student, so far as prepared, is allowed to choose freely among electives covering all recognized branches. Seventy-two units of credit are the required minimum for graduation, a unit representing one class-room exercise a week for a half year. Hebrew is not required (Greek is) for the degree of B. D., but unusual facilities are furnished for acquiring it. The University of California has established an excellent course in modern charities.

FACILITIES.

The Seminary has removed from Oakland to Berkeley, the seat of the University of California. It is thus enabled to avail itself freely of the advantages of this University, among the foremost in the United States, all of its courses being open to the Seminary students. There are 3,000 students in the Academic Departments at Berkeley, and 4,000 in the entire University. The Library of the University, numbering about 80,000 volumes, and the special Theological Library of the Seminary (7,000 volumes), will afford large opportunities for special study. Preparation in the languages of China and Japan can be had in the Oriental Department of the University, or in medicine in the Medical School. The climate is remarkably even, constantly cool, stimulating, and favorable for study during the entire year, knowing nothing of debilitating Spring changes, or prostrating Summer heats.

TERMS OF ADMISSION.

The Seminary is open to students of every Christian denomination, to women as well as to men. Senior standing in the University of California, or its strict equivalent, is required for admission to the Theological course, though students having attained standing equivalent to Junior standing in the University may be received as "Sub-Juniors," under the care of the Faculty, to complete their preparation for Theology in the University, having some biblical work in the Seminary. Special students may be received as in the University, to such studies as they are found qualified to pursue.

EXPENSES AND PECUNIARY AID.

Incidental Expenses amount to $9.00 per half-year. Board may be had in the Students' Club at about $3.00 per week. The Seminary and the Congregational Education Society (the help of the latter, however, being restricted to Congregational students) afford annual assistance; but in both cases upon condition of high scholarly work; the seminary aid is graduated upon merit basis from $75 to $175. There are a limited number of preaching stations in the neighborhood where students may have the opportunity of practical work and of earning a portion of their expenses.

The next Year begins Aug. 18, 1903. Address the President.

The Seminary aims (1) to develop a vigorous spiritual life as the only sound basis for scholarship and service, (2) to train in scientific methods of exegetical and historical research, (3) to discover the truth of God as revealed in the Scriptures, and the leading of his Spirit in history, in order to apply that truth in the realms of thought and endeavor, so as to meet the present needs of the world and promote the spread of his Kingdom.

The Curriculum comprises both required and elective studies. After pursuing certain Preliminary Studies (165 hours). each student selects one of twelve carefully differentiated Groups (each aggregating 900 hours), and to this Group he may then add from 105 to 450 hours of Electives, chosen freely from almost 250 courses. This system combines a due balance of discipline with great elasticity in meeting individual needs. In every subject modern methods are employed, with close contact between teacher and pupil, and strong incentive to scholarly habits. Besides the ordinary fields of theological study, each presented with exceptional fulness, unusual opportunities are supplied in missions, general and special pedagogy, liturgics, various church polities, music, etc. Graduate study is strongly encouraged, and special courses may be arranged for peculiar cases. Two fellowships are offered, each for two years of foreign study; also five prizes, a special fund for books, etc. Students have access to a great variety of classes and lectures not strictly within the curriculum.

The Apparatus includes a rapidly increasing library of about 80,000 volumes (excluding duplicates), containing several unique collections, to which students have access day and evening, museum and reading-room, gymnasium, music-room, etc.

Terms of Admission. — Candidates for admission must be members of some Christian Church and graduates of some college. Those who are not college graduates may, after examination, be admitted *on probation* during the first term.

All courses are open to *women* on the same terms as to men.

Expenses.— No charge is made for tuition, rooms, furniture and bedding, or use of the library and apparatus, except a nominal fee of $25 for use of steam and for supervision. Board is provided at the Seminary under the care of the Students' Association, at $3.50 per week.

Scholarship aid is provided for those needing it, in addition to the grant from the Education Society.

Calendar.— The seventieth year begins on Sept. 30, 1903, and closes on May 26, 1904. The various courses are arranged in three terms. Examinations are held at the close of each subject or principal topic.

For the Annual Register, or further information, address Prof. M. W. Jacobus.

The Seminary is open to students of all denominations. It has a full corps of professors of its own and offers its students all the work essential to a theological training. In addition students are admitted to the College classes without charge.

Applicants for admission must present college diplomas, or satisfy the faculty by examination or certificate that they have had the equivalent of a college course. Upon graduation, the Academic Degree of Bachelor of Divinity is conferred.

The minimum requirement for all candidates for a degree is 1,440 hours of lectures and recitations. The most essential courses of each department are required; this work amounts to 817 hours. Hebrew being elective, the required amount of work in the Old Testament department may be done either in Hebrew Exegesis or in Introduction and Biblical Theology. In addition to the required work, a large number of elective courses is offered, aggregating 1,538 hours, from which each student elects at least 623 hours. These courses cover a large range of more advanced work in the several departments.

There are in the ministry many who have not received adequate training for it and who soon discover their need of theological study. The reasonable requirements for admission to the regular courses of theology place such training beyond the reach of many men of this class. In the interest of a better educated ministry the Seminary offers its advantages to a limited number of ordained ministers who have already held a pastorate, and who wish to enter upon theological studies for not less than a full year. They may enter such courses as they are prepared to pursue with profit, and will be given certificates for all work completed.

SLAVIC DEPARTMENT. — The object of this department is to train up pastors for the Slavic immigrants to this country. Thorough instruction is given in the Bohemian language. The course of study varies to suit the needs of individuals, and culminates in the regular theological course.

SPEAR LIBRARY contains about fifty-three thousand volumes.

EXPENSES. — Council Hall, the Seminary building, has fully furnished rooms with hot water heat for fifty students. Those rooming here pay a moderate incidental fee, varying according to location of room. Other students pay a fee of $6. Aside from this fee there is no charge made by the Seminary. The price of board in Oberlin is from $2.00 to $3.00 a week. Other expenses are correspondingly low.

PECUNIARY AID is granted to those who need it, from the Congregational Education Society, and from Seminary scholarship funds. The amount ordinarily received from the Education Society has not been less than $50. The Seminary funds are awarded for excellence in scholarship in the form of merit scholarships varying in amount from $50 to $100 each year. There is also a loan fund. There has generally been abundant opportunity for work in Home Missionary fields and elsewhere during the summer vacation of four months, and occasional preaching for remuneration is possible during term time.

The year of study consists of thirty-two weeks in two semesters. The next year begins Wednesday, Sept. 23, 1903. For further information address PROF. EDWARD I. BOSWORTH.

Relation to the University. — The Divinity School is one of the co-ordinate Departments of Yale University; its students enjoy all the general advantages of a university residence and receive from the Corporation, on completing their three-years course, the degree of b. d., and are enrolled among the alumni of the University.

Courses of Study. — The studies are of two classes, prescribed and elective. The prescribed studies, given by the Faculty, cover about two thirds of the required work of the three years; the elective studies may be made up from Divinity courses or from courses given in the Graduate School. Students at the close of the second year of study have the option of continuing as candidates for the degree of b. d., or of becoming, by enrolment in the Graduate School, candidates for the degree of ph. d. (requiring two more years of resident study).

Graduate or Fourth-Year Class. — Students of approved scholarship who have completed a three-years course of theological study, here or elsewhere, are admitted to the Graduate Class, in which advanced studies in Theology are pursued under the direction of the Professors. Scholarship aid, to a limited amount, will, at the discretion of the Faculty, be given to men of superior scholarship. Members of this class may become candidates for the degree of m. a. or for that of ph. d., by enrolment in the Graduate Department of the University.

The Graduate Fellowship, for the encouragement of further theological study in this country or abroad, the income of which is $500 for one year after graduation, is offered to the class entering in September, 1903.

Expenses. — The charge for the care and heating of each room is, approximately, $40 per annum. Board costs from $3.00 to 4.00 per week. The necessary expenses of a student for the school year of thirty-four weeks, exclusive of clothing and personal expenses, range from $180 to $260.

Opportunities for Self-Help. — Scholarship aid is now considered not as a gift, but as a means of livelihood obtained by a definite amount of religious work, under competent supervision. The extensive scholarship funds of the school are used to create opportunities for employment in New Haven and vicinity, through which the students may receive training in pastoral work. The average amount of time spent is six hours per week, for which the remuneration is $100. Further opportunities for self-help, if needed, may be obtained through the Director of Religious work. Prize scholarships of $100 and $50 are also offered to students of exceptional rank in scholarship.

Term of Study. — The next year will begin on Thursday, September 24, 1903, and continue until the first Wednesday in June.

Application for Admission. — The conditions of admission are membership in some evangelical church, and a liberal education at some college or university. Testimonials are required in the case of new students requiring scholarship aid. Catalogues and forms of application for admission may be obtained by addressing the Dean, Drawer 4, Yale Station, New Haven, Conn.

The Seminary aims, (1) to develop the experimental side of the religious life, and thus produce an evangelistic and spiritual ministry; (2) to give the student an insight into modern methods of interpretation, but so as to produce a constructive scholarship; (3) to find God and the Holy Spirit in history and the Church; to see Christ in the lowliest forms of philanthropic endeavor; and thus preach a Gospel for the whole life. The Seminary aims to enable the student to have definite convictions and yet a mind open to the advances of scholarship.

The courses of instruction are arranged to meet the needs of the Southern field. The Classical Theological Course embraces three years of study. At its completion, the degree of B. D. is given. Candidates entering upon this Course must have a College Course or its equivalent. The English Theological Course is designed to meet the needs of a great many pastors who are desirous of entering upon a course of study, but who are too advanced in age to take the regular college preparatory requirements. In such cases the course embraces three years of study beside the regular English preparatory studies. The third course is the Correspondence. It is designed to meet the needs of pastors who have never had school privileges, and who are so situated that they cannot leave their work to attend the Seminary for a regular course. In such cases the books are sent to the student, lessons are assigned and examinations are given. During each year the student is supposed to attend the Seminary for one month during a course of lectures that embrace Bible study, Sunday School methods, Christian Endeavor organization, and the Church as a social and religious factor.

The Seminary cannot offer the apparatus of the larger seminaries, but can say that it will do its best for the intellectual and spiritual life of every student.

TERMS OF ADMISSION. Candidates for admission must be members of some evangelical church. Courses are opened to students of either sex.

EXPENSES. No charge is made for tuition or room rent. Board can be obtained for $2 per week. A limited amount of student aid is given to worthy men. All worthy young men can find employment in the city that will enable them to completely pay all expenses. The Seminary aids the young men, as soon as they are able, to secure preaching places, of which there are many near the city. Practical work in connection with the prosecution of studies is urged. Preaching and Social Settlement work will enable the student to get a clear idea of some of the phases of work which are to be his. Thus we will give to the churches men with a practical as well as a theoretical knowledge.

For information address the President.

ANNUAL STATISTICS OF THE CHURCHES AND MINISTERS.

THE following pages contain the statistics as collected in 1902 by the statistical secretaries of the several State organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee. They are all of date Jan. 1, 1903, except that ministerial supply is, as far as possible, brought down to date.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the State secretaries representing their own organizations, or of councils subsequent to the date of annual reports.

The contents of the statistics are as follows: —

1. The statistics of the churches and their ministers, by States.
2. Statistics of Sunday schools, independent and missionary.
3. List of Congregational ministers in foreign lands.
4. The National, State, and local organizations of the churches, with officers, and dates of next sessions in 1902–1903.
5. General summary tables for the year.
6. Tables of summaries, 1858–1902.
7. Remarks upon the statistics.
8. Alphabetical list of ministers, with P. O. address, and indexed to pages.
9. Alphabetical list of licentiates.
10. List of ministers of other denominations supplying Congregational churches.

RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city arranged, as they should be, under the name of that town or city, are placed according to age.

2. To make *new tables* each year. "Last year's report" (if known to be such) is always omitted. But, while old reports are not to be inserted in the table, the aggregate of such last reports from churches failing to report, in the items of church and Sunday-school membership, are included in the summaries. Justice to the churches which do report requires this, as their real progress may be apparently diminished or reversed, by lack of the figures from their less faithful neighbors. The special attention of State secretaries is called to this point, as it has often been disregarded. The list of churches of this year is compared, name by name, with that of last year, and all variations which change the place of the church on the list are specifically mentioned with the State summary, so that each church can be traced from year to year.

3. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct "pastoral supply" to the latest moment. Proof sheets have been sent to secretaries and some home-missionary superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.

4. The prime name in a table line is always supposed to be the name of the *place*, town or city, in which the church is located, as determined by the place of the meeting-house. This is also the name of its post-office, unless followed in line or margin by a name in **heavy-faced** type. In such cases the latter is the post-office, and THIS EMPHATIC TYPE IN LINE OR MARGIN, IS USED EXCLUSIVELY FOR NAMES OF POST-OFFICES. If this postal word is an adjective, it goes with the preceding name, *e. g.*, "Newton **West**"; if itself a name, it supersedes the other, as "Newton, **Auburndale**." Postal designations are not repeated on the second page, and special church names are sometimes given in the second page line, for which there was

not room in the first. In general, the two pages, being invariably opposite, are treated as one, and marginal references on the second page are made to foot-notes on the first, without repetition when they occur there.

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since January 1st; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish. A star (*) denotes churches not associated.

2. Pastors installed or recognized by council are marked "*p. c.*"; pastors duly called by their churches and recognized by some "definite act of the church," but not by council, are marked "*p.*"; others in service are not marked, but in tabular summaries are counted as "supplies." Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. The tables are *not* A POSTAL GUIDE TO THE ADDRESSES OF MINISTERS, and any person so using them runs his own risk of error. The General Alphabetical List of Ministers gives their post-offices. Special attention is called to this fact, which is often overlooked.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed, or commenced service with that church.

5. A star (*) in the General Alphabetical List of Ministers denotes that the person so designated appears in the tables, reported by some church, as its minister, but is not reported to be a member of *any* association or conference of ministers or churches in the United States; or that he is found supplying some church, or did so as pastor by council last year and may be presumed to be *in transitu*, though his name is not in the State alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such are so considered and not included in list of vacant churches. When churches are supplied by ministers of other denominations it is so stated, and they appear under the head Supplies. Churches actually vacant are found in column marked "vacant." The names of licentiates and ministers of other denominations will be found, not in the Alphabetical List of Ministers of Congregational Churches, but in lists following the regular list of Congregational ministers. The General Alphabetical List includes *only* Congregational ministers.

7. The names of some Congregational ministers are missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." Under the head of "Removed," "Died," "Letter," and "Discipline" are represented by the abbreviations. It should be borne in mind that in the tables, Discipline includes Roll-revision. In the General Summaries the term Revision is used, and includes Discipline.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report," but some States do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report."

Students of this table should remember that 1887 was a transition year. The reports from different States covered various periods from one to two years, to bring them down to the common date, Jan. 1, as ordered by the Council. For all New England, except Maine, two years are included, and the average for the whole country is 20 months. Hence the totals reported need to be reduced by two fifths for just comparison with other years. This would make the gain of members, 12,723; in Sunday schools, 17,822, and infant baptisms, 7,176.

GAINS AND LOSSES BY GROUPS.

The following comparisons between the figures of 1901 and 1902 will explain themselves. Attention is called to the groupings of States, after a natural method of division. Figures in brackets indicate the number of States.

LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES.

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

The following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later councils) are alone responsible; but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization in any State, or a conflict of reports leaves the editor in doubt of the facts.

The figures refer to pages where the name will be found in the tables, in the Vital Statistics, in the service of the Benevolent Societies, of the Theological Seminaries, in the list of foreign missionaries. In some cases the *page* is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (*) are of persons who, although mentioned (usually as supplying churches), are not reported as members of any organization of Congregational churches or ministers. A few names are also retained with a * of those who were in active service last year, and may be presumed to be *in transitu*. Such names are not continued a second year, without specific report.

Some post-office addresses are antiquated, but the best possible has been done.

Licentiates are not included in this list, but a list of licentiates follows this, and a list of ministers of other denominations, including also names of those whose position is not reported.

Names of persons in last year's list, deceased since the issue of 1902, are retained, and are indexed to the pages of the "Vital Statistics" when found there.

Some errors will be found in first names, initials, and spelling. No pains have been spared to secure accuracy; but, effort failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names of ministers without pastoral charge, as they do not occur in the preceding tables, have no numeral page reference, and in place of it the year of ordination is given.

Names of persons employed in instruction in schools and colleges are indicated by *pr.*, president or principal, and *pf.*, professor.

LIST OF LICENTIATES REPORTED.

THIS list contains the names of those apparently *reported as under care*, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by, or under the care of, any Congregational organization.

Further. 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by State only are of persons approved in the State mentioned, no residence being reported. 4. The list is incomplete, because some States make no full report of licentiates. 5. The contracted name of a State in brackets means that the name was reported by that State, although the person may reside elsewhere.

The Congregational Library.

AN APPEAL.

Strange to say, this is not an appeal for money (though that is always welcome), but for something usually easier to furnish; namely, the materials existing in printed or written form in each of our five thousand churches, copies or transcripts of which should be on view at this main centre of Congregationalism.

What was well begun should be well carried on. In 1853, through the wise foresight of Dr. Dexter, Secretary Anderson, and other leaders, the Congregational Library Association was founded, to preserve whatever might serve to illustrate the religious history and literature of New England. With great labor and cost, the library has been making constant accumulations on the side of its work devoted to the past.

But the present and the future are swiftly flowing by us into history. The point at which every church, *and particularly every church clerk*, can help the library is indicated above. In some other denominations a fiat might go forth which would bring this material regularly to the central office with the certainty of fate. Our way of liberty is vastly better on the whole; and we ought to take pride in showing that it is equally satisfactory in its results.

It will be asked at once, What is desired here? We answer: Everything that mirrors the life of your church; for instance: —

1. CHURCH MANUALS. — Even when these do not contain the history of the church, they are important in many ways. "Do you want church manuals?" a prominent minister lately asked us in surprise. Let it suffice to reply that we have been at pains already to collect about two thousand of these, and we have room for thousands more.

2. CHURCH ANNUALS. — Whether called Year-Books, or anything else, they are exactly what we wish, in order to register the progress (or otherwise!) of our churches, so far as statistics and incidents can set it forth. *Send two copies of each book or historical pamphlet.*

3. CHURCH PERIODICALS. — Many churches that do not publish a Year-Book bring out, either weekly or at other stated times, a publication which represents the church, and forms a bond of union among its varied interests. *Please let us have all such matter here.*

WILLIAM H. COBB,
